

# Anna Tóth

I am a full-stack web developer based in London who confidently takes initiative and loves organising systems and events. I have a soft spot for social impact, education and the environment, and I believe that with the help of technology, we can make a difference!

## Education

- Founders and Coders - FAC16 cohort
  - 18 week full-stack JavaScript developer bootcamp
  - Tech for Better
  - pair programming
  - near-peer learning
- BA Scandinavian Studies with Film Studies 2:1, UCL 2013-17
  - year abroad in Tromsø, Norway
  - studied Norwegian language and culture, translation, and film

## Employment history

- UK Language Courses, 2016-: English language teacher improvising, adapting and overcoming in the classroom
- Scribbler, 2017-: Greeting card connoisseur helping customers find the perfect card for any occasion
- Creativevents, 2014-2016: Bar staff working in a team and dealing with customers

## Skills

- Communication
- Conflict resolution
- Emotional intelligence
- Teamwork
- Flexibility
- Planning and organising

## Interests

- Languages: Hungarian, English, Norwegian, Spanish
- Postcards

Other than the simple pleasures of the above, I care a lot about education. I believe if we want to see a change in the world, we have to go to the children, who hold the future in their hands. I enjoy practising my skills teaching in the UKLC summer school and coaching at Codebar.
